From W. Mc Hutchin Esqr.

THE CHIEF ENGINEER OF MYSORE,

BANGALORE.

To N. V. Nanjundayya Esqr. M.A.M.L.
Secretary to the Government of
H.H. the Maharaja of Mysore,
General & Revenue Department

SIR,

With reference to your No. H. 1368 of 30th ultimo, forwarding extract of para 3 from Comptroller's letter No. 2689 of 13th idem, stating that the sum of Rs. 43,000/- sanctioned for the purchase of late Sir M. Sheshadri Iyer's house and grounds at Mysore should be borne by the P.W.D., I have the honor to inform you that the object with which the late Dewan's house and grounds at Mysore were purchased by Government is not known, and that, if it is intended that the building should be utilized for any public purpose, the Comptroller is correct in pointing out that the cost thereof should be borne by the P.W. Department. But, as the necessity, either for the construction or the purchase of this building for any

any specific purpose was never previously brought to the notice of this Department, no provision was made therefor in the current year's P.W. Budget. Several cases have previously occurred in which Government sanctioned such purchases, the cost being met from funds in the Comptroller's Budget. There is, however, no objection to the charge in the present instance being accepted by this Department, if the Government can sanction a supplemental grant for the purpose, as all the money that can be made available by postponing some of the works entered in the P.W.D. budget will be required for expenditure on the restoration of breached tanks in the Kolar District.

I have the honor to be

Your most obedient servant
